

# Work Policy Summary

Synthetic PII-free fixture. The aligned rows below are intended to be readable as text while requiring table-assist extraction to preserve row-level table structure.

| Item                  | Limit     | Review cadence  |
|-----------------------|-----------|-----------------|
| Monthly overtime cap  | 45 hours  | Manager review  |
| Annual overtime cap   | 360 hours | HR review       |
| Remote work allowance | 12000 yen | Monthly payroll |

The values are synthetic and contain no customer data, credentials, personal names, contact details, or identifiers.
